**Re: Bidding for WTF Events 2017-2021**

Dearest Colleagues,

I send you the warmest greetings from the World Taekwondo Federation (WTF).

I am writing to let you know that the WTF has initiated an innovative host city selection process which will allow the WTF to enter into a dialogue with all bidders (“Partners”) in order to ensure that the WTF Events fit into a city’s long-term development agenda.

This new process will provide an opportunity for the WTF and potential host cities to understand and clarify each other’s expectations and objectives from the earliest stage. To this end, the WTF hopes to communicate the wealth of benefits that hosting its events affords host cities such as development, sustainability, social engagement and legacy.

You will find attached the bid guidelines and a letter of intent (“LOI”) form. Should you be interested in hosting a WTF Event, please complete the LOI and return it to the WTF. You will then be invited to a Partnership Workshop in which we will share all the information on the organization of our events.

I hope that we will be able to work together with you to deliver the greatest taekwondo event to your city and country, leaving a positive long-lasting legacy.

With kindest regards,

  
Chungwon Choue  
President
