

(Africa-2) Mandatory use of WTF-recognized competition products at all official events listed on the WTF Events Calendar

Dear WTF MNAs in Africa,

WTF Marketing Department sends warm greetings to all of you.

We would like to remind you that:

1. All participating athletes, as well as Organizing Committees, should use WTF-recognized competition products at all official events listed on the WTF Events Calendar.

It is a 'must' in accordance with the provision of the WTF Competition Rules and WTF Poomsae Competition Rules.

2. We would like you to check the WTF Recognized Brands Chart:

We strongly recommend that the OC of the WTF events should color print the chart and put it in the Athletes' Training Area and Inspection Area.

3. Also, please check WTF Guidelines on Mandatory Use of WTF-recognized Products:

Please contact to WTF Marketing Department at marketing@wtf.org if you have any further questions on the WTF-recognized products and companies.

Your keen and kind attention to this matter would be highly appreciated.

Warm Regards,
