Re: Deepest condolences on the passing of your nephew

Dear Gen. Ahmed Fouly,

I was shocked and deeply saddened to learn that your nephew lost his life while fulfilling his duty as a Police Officer.

It shall be impossible to imagine the sadness you and his parents must have now due to loss of the life of this young and promising officer.

On behalf of the entire global taekwondo families, let me offer my deepest condolences to you and the families and relatives. I can only hope that they will be given strengths to bear these difficult times.

Sincerely yours,

Chungwon Choue
