Gen. Ahmed Fouly
President
African Taekwondo Union

Dear Gen. Ahmed Fouly, Dear President, Dear Friend,

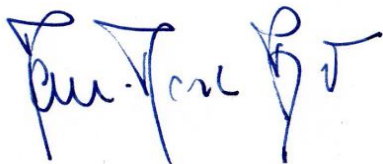

I am writing to extend my deepest sympathies to you and your family. I was so very sad to hear about the passing of Major Tarek Mubasher, your beloved nephew.

Major Tarek Mubasher - like the soldiers on his side - has died for Egypt, serving his country like you have done for all your life. I today pray in the hope that the ultimate sacrifice of his life will serve your country for a better future, for a time when people will know how to live peacefully together. I am truly sad and bewildered over the loss of people in the prime of their lives, caused by ideologies that deliberately encourage death.

Through your activities in sport you strive to promote a better and peaceful living for all people and I am proud to be on your side to help. I make the wish that Major Tarek Mubasher with the help of God will further inspire you and give you further conviction for this noble task.

God Bless You and Your family.

In deep sorrow,

Jean-Marie Ayer
Secretary General
