**Re: IPC Introduction to Para Sport**

Dear Sir/Madame,

I send you my warmest greetings from the World Taekwondo Federation and I wish you a great start to 2016.

With the inclusion of Taekwondo kyorugi on the 2020 Tokyo Paralympic program and the rapid development of taekwondo poomsae as a sport for athletes with an impairment there has been an increased demand of education.

The WTF recommends all persons interested in learning more about para-sport to take the IPC Academy's online course "IPC Introduction to Para Sport". (<http://www.ipc-academy.org/index.php?academy=1&course=47>). The online course is free of charge.

All members who complete the course are kindly requested to send a copy of the course certificate along with their WTF Licence number to [para-tkd@wtf.org](mailto:para-tkd@wtf.org) so that the WTF can keep track of members who have completed the course.

Please be advised that the WTF is continuing to develop Para-Taekwondo specific education programs and it is our aim to have more education programs available in 2016.

If you have any questions please do not hesitate to contact the WTF Para-Taekwondo Department at [para-tkd@wtf.org](mailto:para-tkd@wtf.org).

With best regards,

*Chunghwon Choue*
